

# Front-End Dev Challenge

## The Challenge:

Create a responsive web page to match the comps provided.

## The Rules:

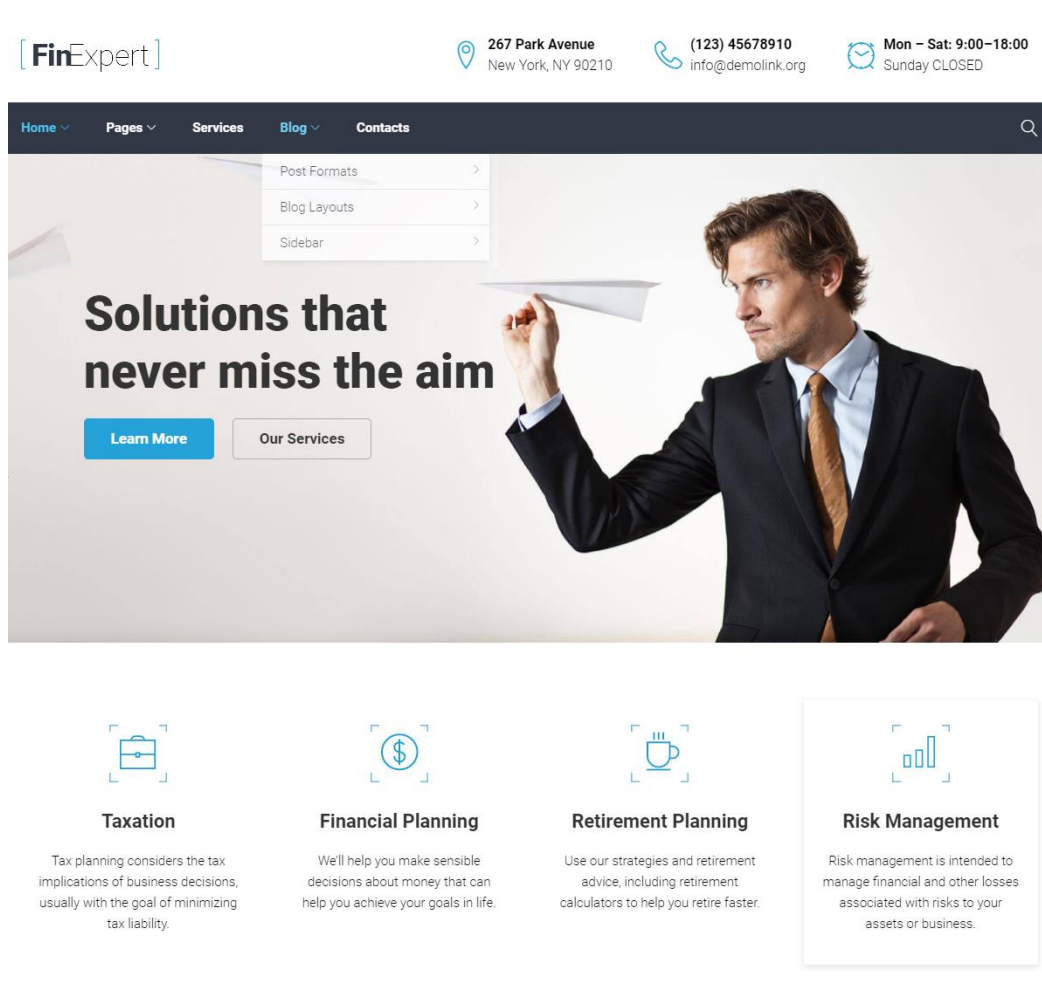

The page will be viewed on latest Chrome.

Feel free to use Twitter Bootstrap.

The text can be lorem ipsum, no need to type it out.

You can replace any of the images/icon with your own so long as they match the general idea.

The menu functionality is optional.

 **267 Park Avenue**  
New York, NY 90210

 **(123) 45678910**
